PROFESSIONAL SUMMARY

MERN Stack and Frontend Developer with a Frontend Developer internship building responsive, reusable React.js interfaces with Tailwind CSS. MERN Stack certified, with full-stack projects including PrepWise AI, an AI-powered interview preparation platform. Seeking a MERN Stack Developer or Frontend Developer role.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Redux, Tailwind CSS, Bootstrap, Responsive Web Design

Backend: Node.js, Express.js, REST APIs, JWT Authentication

Database: MongoDB, MongoDB Atlas, Mongoose

Tools & Deployment: Git, GitHub, VS Code, Postman, Vercel, Render, Cloudinary

Other: MERN Stack Development, Data Structures & Algorithms (DSA), Reusable Components, AI API Integration

PROJECTS

PrepWise AI – AI Interview Preparation Platform prepwise-ai-career.vercel.app

Tech Stack: React.js, Node.js, Express.js, MongoDB, Groq API, JWT

- Built PrepWise AI, a full-stack MERN interview preparation platform where users practice mock interviews and receive AI-generated questions and feedback, with JWT-based registration and login.
- Users set the job title, experience level, difficulty, skills, and number of questions; the Groq API generates matching questions, then evaluates the answers and shows an overall score out of 100, strengths, areas to improve, and feedback.
- Built a personal dashboard (interview count, average score, highest score), interview history with search by job role, and an unscored practice mode for React, JavaScript, HTML, CSS, Node.js, and MongoDB.
- Deployed the React frontend on Vercel and the Node.js/Express backend on Render.

Grocify – Grocery Shopping Website grocify-website.onrender.com

Tech Stack: React.js, JavaScript, Tailwind CSS

- Developed a responsive grocery shopping website with interactive product sections for easy browsing.
- Built reusable React components and responsive layouts optimized for desktop and mobile devices.

Fitness Freak – Gym Website fitness-freak-try.vercel.app

Tech Stack: HTML, CSS, JavaScript, Bootstrap

- Developed a responsive gym website showcasing fitness programs and services with clearly structured sections.

EXPERIENCE

Frontend Developer Intern – Baroda Institute of Technology, Vadodara Jan 2026 – Jun 2026

- Developed responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and React.js.
- Built reusable React components and responsive layouts using Tailwind CSS.
- Used Git and GitHub for version control and collaborative development.
- Debugged and resolved UI, responsiveness, and functionality issues in frontend applications.

EDUCATION & CERTIFICATION

MERN Stack Development Certification – Baroda Institute of Technology, Vadodara

Higher Secondary (12th) – Uttarakhand, India
